~~SIR,~~

Sir,

I have the honour to submit that the old Taluk Cutcherry now used for the accommodation of the Anglo-Vernacular School at Chamrajnagar is not suitable for the purposes of the school, and a new school house on an open piece of ground is required. The old Palace site is reported as convenient for erecting the new building for the school. The Deputy Commissioner of the Mysore District was requested to reserve the Palace site or some equally desirable site for the Education Department. He states in his reply that the question of disposing of the old Palace is under the consideration of Government.

I therefore beg to request that Govern-
-ment

V

may be pleased to order that a portion
of the site of the old Palace referred to may
be reserved for the purpose of constructing the
Anglo-Vernacular School at Chamrajnagar

I have the honour to be,

Sir,

Your most obedient servant,
